Welcome to Bakersfield Racquet Club's Summer Program

Welcome to Bakersfield Racquet Club's Junior Summer Tennis Program. We have 7-weeks of summertime fun! Our programs are comprised of 7-week long sessions. We divide groups up by playing ability and age to create the perfect environment for youngsters to improve. The basic fundamentals are taught along with fun, fast, game-based drills to keep them moving! Sensitivity to each individual's needs and abilities is always at the forefront.

Our older participants and advanced players have several options and the program is scheduled around summer school. We offer a "Night Owl" class from 7-9PM and private lessons from 2-4pm at a reduced rate! The camps covers every facet of the game from stroke production, sport specific conditioning, match-play and etiquette. A great camp to challenge players and prepare them for the upcoming high school tennis season.

Please note that members are guaranteed placement in Camps and Non-Member are placed on a Priority List. Take advantage of member rates, inquire about our Jr. Memberships. Join today!
