

## WHAT IS RED, ORANGE, AND GREEN BALL?

Red, Orange, and Green Ball (or ROAG) is a developmental tennis program aimed at making tennis fun and accessible for players at all levels.

**Red Ball** is for players ages 8 and under. We use the 36' court with a Red low compression ball. Ages 4-6 focus on A-B-C's (Agility, Balance, and Coordination) while experienced 6 year olds and 7-8s begin stroke development, rallying, and rules of the game.

**Orange Ball** is for Players ages 9-10. At this age we rally on the 60' court using an Orange low compression ball. Players focus on point play, stroke development, and scoring formats.

**Green Ball** is for players ages 11 and up and we play on the full size court. The Green ball is slightly lower compression than the traditional yellow ball. Players work on stroke development, point play, scoring formats, and strategy.

### Parent Release

I hereby authorize the instructional staff at Bakersfield Racquet Club to act for me according to the best judgment in any emergency where my child may require medical attention. I hereby release the club, the program and its instructors and staff from any injuries incurred by my child while attending the program. I have no knowledge of any physical impairment that would interfere with my child's participation in this program.

In addition to our practice schedule, we offer two junior competition formats:

**Junior Team Tennis and Play Day.**

**Junior Team Tennis** is a USTA sanctioned event that offers competition seasonally. Spring, Summer, and Fall seasons are offered for players of all levels. Coaches will assign players to the appropriate teams. Players will be issued a USTA number (players that already have one may submit it to their coach during the registration period) for use in registering for Junior Team Tennis.

During the off-season we offer **Play Day**, a fun and low-pressure alternative to Junior Team Tennis. Play Day provides supervised match opportunities for players that want to continue competing or learn during the off-season.
